

Alpha Omicron  
Executive Board Meeting  
8/17/20203  
Warren Country Inn

The meeting was called to order by President Sandy Watts at 9:00. The Executive Board Meeting was open to all members for a planning session. President Sandy led a discussion on the number of business meetings our chapter should have in light of new International rules. If the membership approves, our chapter could have four business meetings between September and May with four other dates for programs and fellowship.

A suggested calendar follows:

Date	Meeting/Program	Venue
September 7	Business Meeting	Warren Country Inn (WCI)
October 5	Card Making and/or Crafts	
November 2	Business Meeting	WCI
December 7	Christmas Party	
February 1	Business Meeting	WCI
March 7		
April 4	Business Meeting	WCI
May 2	Bunco Prep (May 3 event)	

Possible programs for the year: New Teacher Welcome Gift, Christmas Gift Exchange, Card Making, Game Night, Book Club, Founder's Day, Staff Room Treat Trays, Guest Speaker, Foreign Exchange Students, Bunco de Mayo Preparations, State Convention Preparations, Field Trips to a nursery or theater.

Teacher Grants were discussed with the possibility of focusing on upon the 4<sup>th</sup> grade in Scappoose and St. Helens. It is estimated that this reflects about 13 classes at the grade level. This might allow us to provide more than the limit of \$50 per teacher.

Membership was discussed; Nancy will drop 2 of our members per their requests.

New bench placements were discussed with no decisions.

Meeting adjourned at 10:15.

---

Respectfully submitted by Linda di Pietro, Recording Secretary

Sandy Watts, President
